

PROFESSIONAL EMAILS

Email 1 — Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.

Dear Sir,

I hope you are doing well. I am writing this mail to request a small extension for the assignment submission which is due this week.

Actually, I was not able to complete my work on time because of some personal issues and also managing other subjects together became little difficult for me. I have already started the assignment and I am trying my best to complete it properly, but I need some extra time to finish it neatly.

I kindly request you to please grant me extension of 2–3 days so that I can submit my assignment with better quality. I will make sure to submit it as soon as possible.

Thank you for your understanding.

Regards,
Vivek Sawale
